Why Ortega Fish Shack?

Article abridged from "The legend of Ortega" by H.Avers PHD (Hist)
University of Caracas.

Babieca Ortega (1857 – 1936) was a prodigious fisherman and fabulous chef who lived on a remote island.

His father, Alfonso Babieca Marques de los Ortega, was a wealthy Spanish grandee renowned for his epicurean taste and philandering. After losing his fortune gambling at Perudo and being accused of seducing a member of the Spanish Royal family, Alfonso, in desperation, fled Spain in 1856. He worked his passage on a small trading vessel jumping ship on Isla de Pez, an insignificant remote island off the coast of Venezuela in the Southern/ Caribbean .

Ortega's mother was the daughter of a native fisherman who capitulated readily to the experienced charm of Alfonso, who shortly after, continued his wanderings and disappeared into the vastness of South America.

The story then told is that the day that Ortega was born his mother was out fishing by herself in a small boat. She had just hooked a large fish when she went into labour but not being one to give up on a good catch she carried on playing the fish which landed in the bilge at the same time as Ortega.

Whatever the truth this story sets the leitmotif for Ortega's life. He became a consummate fisherman, the South American Davy Crocket, reputed to have caught a giant fish of the species *Ursula Pisces* when he was only 10 years old.

From his father Ortega inherited a love of good food and he became an expert at cooking the fish he caught and concocting recipes using wild herbs and fruit. Despite its remoteness, or perhaps because of it and romantic traveller's tales, food lovers from far away began to visit the island to sample Ortega's cooking. In 1887, when he was 30 ears old, he opened a restaurant in an abandoned fishing shack. Some of its interior features were built from salvage taken from ships that were wrecked on the island's notorious reef, including the ceiling constructed from curved ships-timbers a zinc fronted bar and coloured glass windows.

He took an intense interest in natural history and his tropical sea shell collection was admired by conchologists.

The fame of the Ortega fish shack spread and regardless of the difficulty of getting there epicureans from around the world made the effort. Recent research has confirmed that some of the more famous visitors include:

- 1891 Paul Gauguin visited on his way to Tahiti. His painting “Cabine de Peche Isla de Pez” is one of the only known images of the Ortega shack
- 1888 Robert Louis Stevenson in the yacht “Casco” on his way to Samoa. He wrote of his experience “I never thought to eat such wondrous fare and brooded many hours as to whether I should ever leave Ortega’s magic isle”
- 1895 Joshua Slocum on his solo voyage round the world on his yacht “Spray”
- 1898 Theodore (Teddy) Roosevelt (then a colonel in the Rough riders) who was sailing the Caribbean while recovering from the battle of San Juan Hill in Cuba.
- 1928 Zane Grey on a fishing trip from Florida.
- 1934 Ernest Hemingway in his yacht “Pilar”. He was inspired by Ortega to write one of his most famous books “ *The old man and the sea*”

In 1936 Hermann Goring travelled secretly to Isla de Pez on a chartered Deutsche Lufthansa sea plane. Goring, a well known gourmet, was on a mission to persuade Ortega to organize the cuisine at his newly acquired luxury mansion near Brandenburg. However Ortega, who was of mixed blood (and who had some Jewish ancestry) flatly refused to have anything to do with him.

The week after Goring’s departure the fish shack was burned down under suspicious circumstances while Ortega was on a solo fishing trip from which he never returned.

Nothing remains of his fish shack or his boat, nor is there any written record of his life other than those quoted above but Mark, Helen, Davey & Anna’s new Ortega Fish Shack seeks to continue his tradition of excellent food .

A little something to begin with...

Lustau Sherry

Founded in 1896 & exporting their own sherry since 1950 the Solera Familiar range originates from the old soleras founded by Emilio Lustau early in his career as an almacenista.

Manzanilla Papirusa – *From the town of Sanlúcar de Barrameda, full with a gorgeous mix of salted nuts, beeswax, bruised apples with a hint of hot driftwood. Just perfect with a few olives or on its own.*

Glass 9.5 (75ml) Bottle 45 (375ml)

Puerto Fino – *From the town of Puerto de Santa María, soft, slightly creamy & very smooth with attractive baked orchard & citrus fruits with a toasty yeasty character. An excellent match with oysters.*

Glass 9.5 (75ml) Bottle 45 (375ml)

Dry Amontillado Los Arcos – *An oxidised version of Puerto Fino giving it more of a fuller & much more viscous texture with golden colour, bolder citrusy fruits, walnuts & hints of raisins yet so dry. A beautiful sherry with dishes with a little kick of spice.*

Glass 9.5 (75ml) Bottle 45 (375ml)

Dry Oloroso Don Nuno – *Rich & very full in the mouth with bolder notes of coffee figs, chocolate covered chestnuts, yet still with a clean & dry lemon finish. Fantastic with rich white fish dishes.*

Glass 13.5 (75ml) Bottle 67 (375ml)

Oloroso Pata de Gallina – *Wow! Unblended from a tiny single solera system by our friend Juan Garcia Jarana who specialises in Motorcycles & Sherry. This Oloroso has delicate coffee & cocoa characters, with freshly roasting pecans & a long snappy citrusy finish with lingering baked spicy orange peel. Great to accompany dishes with fuller aromatics & spice.*

Glass 15.5 (75ml) Bottle 91 (500ml)

Lustau Vermut

Vermouth from Jerez, based on a blend of sherries individually aged for ten years and then used to singularly macerate each of the ten added botanicals before being expertly married together.

Vermut Blanco - *Made from Fino & Moscatel sherry. Bright, floral & citrusy with flavours of herbs, chamomile & bittersweet lemon.*

Glass 12 (75ml)

Vermut Rojo - *Made from Pedro Ximénez & Amontillado sherry. Rich & slightly bitter with tastes of hard caramels & spiced orange. Smooth & oaky.*

Orange Wines

Orange wines have had a long history in the winemaking story & have sort of been lost along the trail somewhat. Orange is a very wacky way of making wine, leaving the grapes on their skins for days a time & on the lees in oak barriques for months. this produces a deep amber colour with a fuller cleaner finish.
